

COOKIES POLICY

TRACKING TECHNOLOGIES AND COOKIES

- We use cookies and similar tracking technologies to track the activity on Our Service and store certain information. You can instruct your browser to refuse all Cookies or to indicate when a cookie is being sent. However, if you do not accept Cookies, You may not be able to use some parts of our Program or Site.
- Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on your personal computer or mobile device when you go offline, while Session Cookies are deleted as soon as you close your web browser.
 - a. We use both session and persistent cookies for the purposes set out below:
 - i. **Necessary / Essential Cookies**

These Cookies are essential to provide you with services available through the Website and enable you to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these Cookies, the services you have asked for cannot be provided, and we only use these Cookies to give you those services.
 - ii. **Cookies Policy / Notice Acceptance Cookies**

These Cookies identify if users have accepted the use of cookies on the Website.
 - iii. **Functionality Cookies**

These cookies allow us to remember choices you make when you use the Website, such as remembering your login details or language preference. The purpose of these cookies is to provide you with more personal experience and

to avoid you having to re-enter your preferences every time you use the Website.

iv. Tracking and Performance Cookies

These Cookies are used to track information about traffic to the Website and how users use the Website. The information gathered via these Cookies may directly or indirectly identify you as an individual visitor. This is because the data collected is typically linked to a pseudonymous identifier associated with the Device You use to access the Website. We may also use these cookies to test new advertisements, pages, features, or new functionality of the Website to see how our users react to them.
